

P12 Christmas Meeting Attendance Policy

15 October 2017

Purpose

This document is aimed at defining eligibility criteria to Branch Christmas functions for member's guidance.

Principle

Stock Feed Manufacturers' Council of Australia welcomes all members to the Christmas meeting held in November or December each year.

Through payment of their membership dues, each Member Company has the following number of complimentary entitlements for the lunch and dinner components of the meeting:

Full & Provisional Members:

3 Complimentary Entitlements

Associate Members:

2 Complimentary Entitlements

Where space permits, additional people from member companies may attend at a cost equivalent to the cost of catering.

Companies who bring a guest to the Christmas luncheon or dinner shall include the guest in their complimentary entitlements. Where they exceed their complimentary entitlements they will be invoiced by SFMCA for the cost of the catering.

Where members RSVP and do not attend, the Exec Committee reserves the right to invoice companies for the cost of catering.

All cancellations need to be advised to SFMCA via email within 4 working days prior to the event in order for us to avoid being charged for your catering.
